What is Wealth?

The definition has certainly changed in the past weeks due to changes in the economy and we are looking at redefining our wealth. Since spending money is one of the ways that we enjoy prosperity, and invested incomes are uncertain, new ways to look at wealth are becoming critical for everyone.

In the newsletter's next 3 part series, we will cover the ways that we enjoy wealth, beginning with family. You can follow the articles along with the Dr. Nancy's First Monday Morning segments on the KDKA-TV Pittsburgh Today Show at 9:00 AM each first Monday of the month.
